

Talk About Big Bucks ...

In 2008 The Union Sportsmen's Alliance Gave Away More Than \$80,000 In Prizes To Our Members!

Thank You For Supporting The Union Sportsmen's Alliance.

It's true. Big bucks and big winners made 2008 a sensational year for the USA. Since we first opened our doors just 18 months ago, the Union Sportsmen's Alliance has grown to more than 7,000 members ... and we have awarded more than \$80,000 in prizes to sportsmen and sportswomen across the country. But we're just getting started and we need your help to make 2009 even better.

Your support, passion and enthusiasm is taking wing as word spreads around the country about what a great hunting and fishing club we offer to Union members, retirees and their families. Membership in the USA is all

about bringing union brothers and sisters together to share their love of hunting, fishing and the great outdoors. All across North America, USA members are connecting outside of work to tell their tales, trade tips and share secrets, buy and sell gear and take time to enjoy the wonderful natural beauty we're so lucky to have here from coast to coast.

To all our USA members, thank you for your support. And if you haven't joined the USA yet, check us out online at UnionSportsmen.org ... and take a moment to fill out your membership application. You'll be glad you did.

Winner: Triton Explorer Bass Boat

"The USA makes me even prouder to be a union member because the outdoors is something I love, and it's nice to see that my union agrees with me. I would just like to thank the USA and Triton boats. This is fantastic. It's hard to believe."
