The collage consists of several images and text blocks. At the top left, there is an image of hands typing on a laptop keyboard with the ARAG logo in the top left corner. Below this image is the text: 'Personal information should be well, personal'. To the right of this is an image of a laptop screen displaying a shield icon and the word 'SECURE'. Below this image is the text: 'Tips for guarding your personal information.' At the bottom left, there is an image of a woman looking at her smartphone with the ARAG logo in the top left corner. Below this image is the text: 'Feel like you're constantly on alert?'. To the right of this is an image of a woman looking at her smartphone. Below this image is the text: 'Wait. What? Although there are many ways criminals can steal your identity, you don't just have to sit around and wait to become a victim before taking action. There are things you can do every day to protect yourself and your information.' Below the text are two bullet points: 'Do this today to decrease your chances of becoming an identity theft victim.' and 'Know what data criminals are looking for so you can keep an eye on things.' Below the bullet points is the text: 'Follow these tips to keep your personal information secure. Not sure where to turn for professional assistance? See how ARAG's more than 14,000 network attorneys can help.' At the bottom of the collage, there are two yellow buttons with the text 'LEARN MORE >'.
